### Lara Boffed

It was on one long boring day off that I decided to get into gangbangs. I had been browsing through some dirty magazines and had stumbled across Escort. I read stories in there about girls who were getting filled with plenty of cock and I fancied a piece of that myself!

I was desperate for something new in my life, something interesting, something fun!

I started putting out feelers, advertising in contact magazines and looking in the small ads in my local paper.

Eventually I managed to make contact with a few men.

listening to sexy music and soon we were all dancing manically. Of course I was the centre of attention and already I was sizing up who might have the biggest cock and be the hardest fanny-fucker.

It is a wonderful feeling when a lot of men are fondling you at the same time.

I was gasping with ecstasy as I grasped at the stiff cocks soon surrounding me as I knelt on my thick rug.

One man was licking my wet pussy, my legs clenched around his neck. He pulled back

**"CAN YOU IMAGINE WHAT IT'S LIKE WHEN FIVE COCKS ARE SPRAYING THEIR SPERM AT THE SAME TIME?"**

The tricky point was that I didn't just want sex one-on-one, I wanted to have 5 or 6 men at the same time.

It took a bit of organisation but one fine evening 5 men came round to my house to fulfil my fantasy.

We were drinking wine,

and another cock slipped into my cunt. A third was soon in my bum and two cocks were crammed into my mouth. I had everything that women dream about – total abandonment to the power of cock!

Can you imagine what it's like, when five cocks are all

spraying their sperm at the same time? Oh my God – it's amazing.

I let them take photos of me covered in their sticky juice and was full of happiness at my experience.

I told my boyfriend everything. He wasn't even angry – in fact his face lit up.

Before long

he was dreaming about watching me getting fucked five-ways. And in another minute or two he had leaped on me and was fucking my brains out.

Now we are looking for a couple or maybe a bi-curious girl to experiment with. I want to have a good time with you people out there so much!

Lara, London.

# Tammy

When Tammy's got nothing special planned she loves to while away a few hours in her own company. "Well why not? I open a bottle of wine, get a few chocolates and make the most of things. I like to make things last, so maybe for the first hour I'll only touch my boobs, until I can't stand it any longer and have to pay my dripping pussy some proper attention. On a good evening I'll cum 4 or 5 times. Lovely!"

### Bridal Party!

If anyone's going to have a filthy hen do - or 'bachelorette party', as nobody I know calls it - then it's ace British knob-jockey Ella Hughes! Is she really tying the knot? I rather doubt it, given her taste for cock, but either way, this flick follows her and a gaggle of equally slutty British tarts to Barcelona where - what do you know?! - they meet up with a load of pro-woodsmen. As well as a couple of straightforward scenes there are three orgies to check out, With Carly Rae, Ella, Lucia Love and Suzy Rainbow all getting stuck in. Utter filth from start to finish - just how we like it!

### BUM'S THE WORD!

There can't be many people out there who know about wedging their knob in some horny slapper's jacksie that Mark Wood - he's been doing and filming it for years, and this whopping release is a compilation of no fewer than 10 of his hottest MILFy scenes from the last few of those years. Yep, that's 10 scenes which clock in at almost 400 minutes, and featured are many of the filthiest stunt-cunts in the business. Veronica Avluv is never happier than when she's got a big cock jammed up her wrong 'un, but Anissa Kate, India Summer, Dana Vespoli and co all take magnificent poundings. This lot'll keep you going till Christmas! Available from Blissbox.com.

I've always had a thing about French girls, ever since I saw *And God Created Women* with Brigitte Bardot when I was in my early teens (and could anyone blame me?!), and I've been lucky enough to go out with a few over the years, having made sure I learnt the language at school. I don't know what it is about them that makes them special, apart from the accent, but Chloe in your latest issue has got it in spades. It takes something special to look that classy while posing on the toilet, but with those suspenders on and that beautifully trimmed pussy, she definitely pulled it off – which is exactly what I did with my cock as I admired her and remembered some of the mesdemoiselles I've had my wicked way with over the years! Adrian, Horsham.

**French Letter!**

I'm glad we helped to bring back so many happy memories!

**DEAR JULIA**

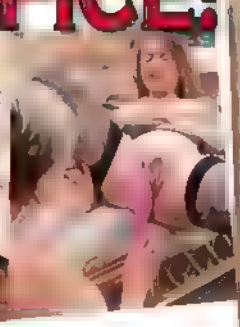

I thought you might like to hear about something my wife Crissy and I got up to last night, inspired by the pictures of Ashleigh in 37.06. Crissy's always had a sweet tooth, and we're always looking for ways to liven up our sex life (which is why we like reading escort together in the first place!). Anyway Crissy decided she'd love to eat a few doughnuts off my cock, so I hurried the corner shop and bought a bag of five without further ado. After that she sucked me to full hardness (it didn't take long) and then fed the sugary treats one at a time onto my twitching pole. She just about managed to get three on before she cradled my balls and started to nibble them off, making sure my shiny helmet got a good licking while she was about it. When there was just one doughnut left she took my length in her mouth and sucked me off until I was on the verge of cumming. Then she grabbed the remaining doughnut and made sure I shot my load all over it before she scoffed that as well, insisting that it was the tastiest of the lot. Well, I certainly wasn't going to argue! Martin, Stoke.

**Donut Disturbed!**

**It sounds like you've got a very healthy sex life, but a very unhealthy diet!**

**OLD SPICE!**

I don't know about you, but I like my British lesbians to have a few miles on the clock, and the rug-munchers on display here certainly tick that box! Auntie Trisha's over 60, and her fuck-buddies range from 39 to 58. There are plenty of toys keep them busy when tongues and fingers aren't enough, meaning this is 2 and a half hours of mature muff for connoisseurs. Available from [YourChoice.co.uk](http://YourChoice.co.uk).

We're very eco-friendly here at Escort – the Ed always puts his lunchtime empties in the recycling – so the fact that this TENGAs stroker is reusable is a definite winner. "I can never really tell what a bloke's like in bed until I've fucked him at least twice – it wouldn't be fair to judge them on their first go! What really gets me horny is putting on a display – getting the guy so aroused he's practically cumming in his pants even before I've touched his cock, so they hardly ever last more than a few seconds before they're creaming. But then they're always ready for seconds straight away, and that's when I get to ride them properly and find out what they're really made of. Reckon you'd be up to the challenge?"

# REAL WIFE SEX

*Lizzie's boss sure gets his money's worth!*

**His hand slid down inside my panties, stopping when it reached my cunt...**

**A**lthough my boyfriend's always been very loving and kind, sometimes my urges just get the better of me. For example, I've had the hots for my boss for what seems like ages. He has come on to me a few times but I have always held back as I knew that he was seeing someone else and, well, that would have been just too complicated. Then one day his secretary told me that he and his girlfriend had finally split up so I took my courage in both hands and grasped this opportunity to get to know him a little better.

Knocking at his office door, I asked him if he had a minute. Waving me to a seat, he asked what he could do for me. I didn't reply directly, just sat down and slid my skirt up my thighs, slowly parting my legs. As I did this I watched his gaze drop, and his face flushed when he got a glimpse of what wasn't underneath my skirt.

"What?" he stammered.

I rose and walked slowly and sensually around the desk until I stood behind him. Slipping my

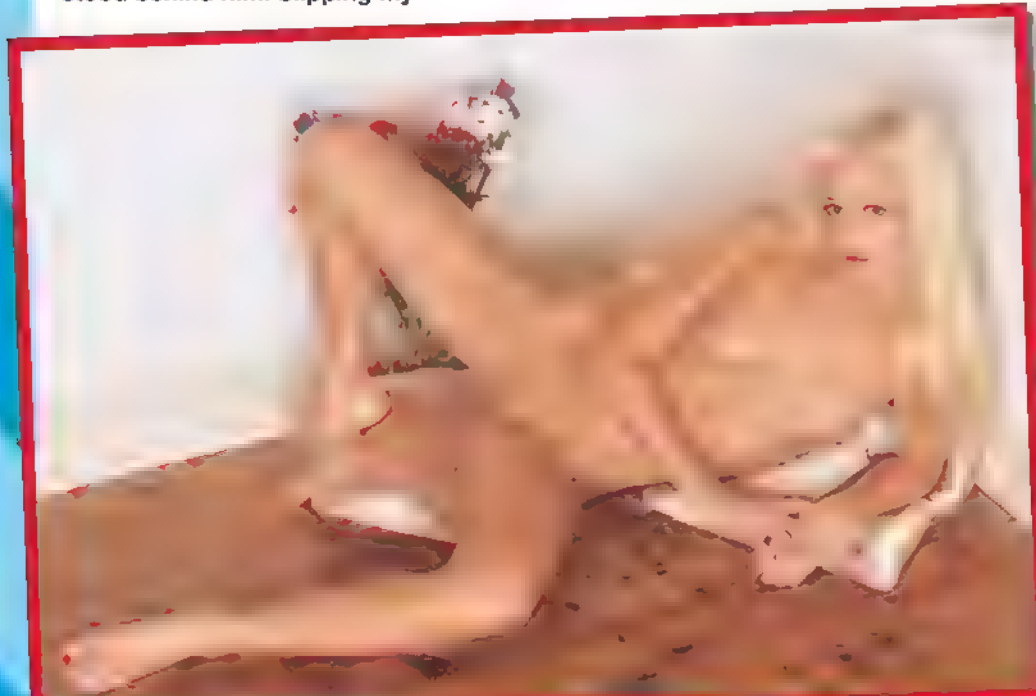

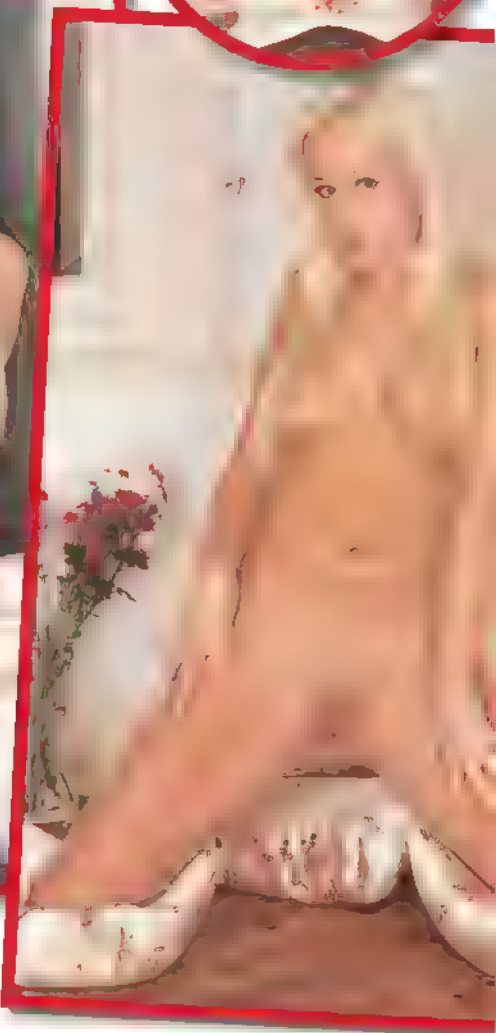

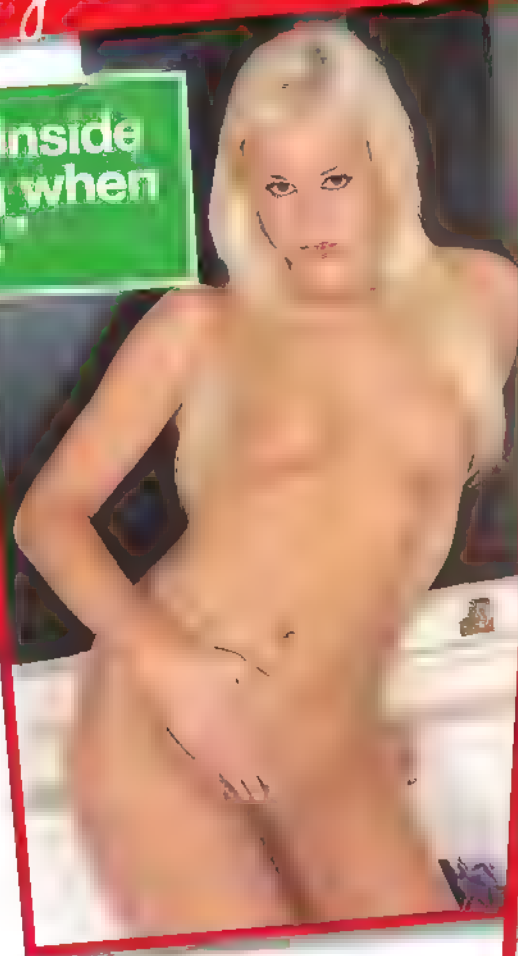

hands around the back of his neck and sliding his suit jacket off his broad shoulders, I draped it across a low filing cabinet nearby, making sure to bend over as I

did so, giving him a good look at my short skirt as it rode up my thighs and tightened across my arse. I distinctly heard him catch his breath as he turned in his chair to get a better look.

"What are you..." he began again, but I stopped him by moving closer and putting a finger to his lips. Then, keeping my eyes locked on his, I boldly sat on his lap. As I wiggled closer against him I could feel his growing erection through my skirt.

Putting my mouth to his ear, I licked his earlobe softly. He was about to ask something else when I again put a finger to his lips. Speech was no longer necessary. I cupped his face in my hands and brought my lips to his. My tongue teased his lower lip before sneaking into his mouth.

I felt his hands run softly up the sides of my body and brush over my full breasts. His fingers quickly undid the buttons of my dress until he was able to reach

**"He emitted a low growl as he slid his hard-on into my twitching arse."**

in and caress my nipples.

He lifted me up and then sat me on the edge of the desk, then he quickly unbuttoned his shirt and flung it on top of his jacket. Then he turned his attention to the remaining buttons on my dress, undoing each one slowly. When he was finished I slid off his desk and shrugged the dress off, and he cupped a breast in one hand and lowered his mouth to lick a nipple.

His free hand slid down inside my panties, stopping when it reached my newly-shaven cunt. I groaned again as his finger slipped into my wet pussy, and then, moistened with my juices, began to tease my clit. Gasping with joy, I melted into him as he finger-fucked me, trying to stifle my loud moans until I came off all over his fingers and the heel of his hand.

My legs felt weak now, and I allowed my knees to buckle, sliding down along his body until I was kneeling in front of him. He helped me eagerly as I opened his pants and slid them down, along with his boxers.

I lowered my head to him, and, parting my freshly glossed lips I started by softly licking the underside of his shaft – from the base to the tip. When I took the head of his cock into

my hot mouth, I felt him tremble. I sucked just the tip at first; then, when I felt I had him near the brink, I suddenly drove my head down over his throbbing cock, taking it all the way in until I was deep throating him.

His fingers raked my hair, but he let me set my own pace, and I bobbed up and down slurping at his pre-come like a whore. My lips slid up and down on his shaft until I felt his body stiffen. As soon as his cock swelled with the pressure of his building orgasm, I pulled back, not wanting him to splash too soon.

I stood up, took a bottle of anal lube from my bag, and handed it to him. Blushing slightly at my audacity I asked him if he would like to try some bum play. With a broad smile he acquiesced. It seemed we were on the same wavelength; he knew what I wanted, and now I knew he wanted it too.

He put his hands on my hips and turned me, bending me over the desk with my bum facing him. I was panting as he lubed up my anus, his fingers stroking with the promise of pleasure to come. Then pressing up behind me, he emitted a low growl as he slid his hard-on into my twitching arse.

It took all the self-control I possessed not to scream out in

ecstasy. He

seemed to know just how I wanted it, and as I reached down to rub my clit, he held onto my hips and began pumping me as hard as he could. I came off hard almost immediately, but he didn't stop. I bucked against him as I rode wave after wave of orgasm, my juices trickling freely down my thighs.

I threw my head back, stifling another scream as he slid all the way into me, rocking back and forth against him as his balls slapped against the backs of my thighs.

We were both breathing raggedly now, fucking with total abandon. I friggered my cunt even more brazenly, slamming the full length of my fingers deep inside my throbbing cunt as I begged him to shoot inside me.

His whole body shuddered as his orgasm ripped through him. When I felt this, my sphincter tightened around his tool and I too spasmed in climax. I heard him grunt with amazement and I could actually feel each spurt of his cum inside my anal orifice.

Since then he's made pretty good use of my arse on a pretty regular basis – but I keep my cunt off limits, so at least I'm still being loyal to my boyfriend in some way, although I don't suppose he'd agree...

## Birthday treat

It was my wife's 40th birthday recently and she was going on about being old and past it. I had to reassure her that she's still gorgeous and there's no-one I'd rather stick my dick in.

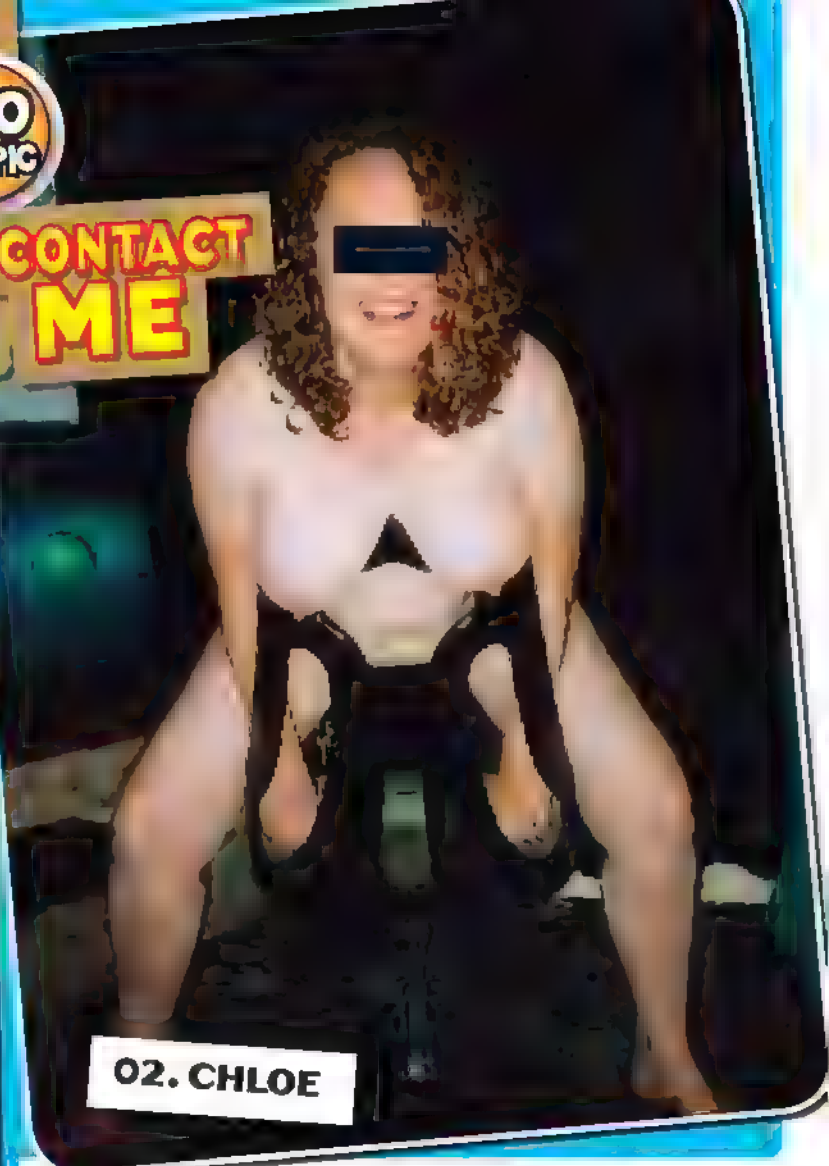

We have a property which we let out to students Mike

and Tom and because they were short on the rent, I told them they could help me by meeting me later on in my local.

Chloe and I were sat there when Mike and Tom came in. She was wearing a low cut top that showed off her

£100

02. CHLOE

ample tits.

They started telling Chloe how good looking she was. By the time I got back from having a pee they were sat either side of my wife with their fingers buried in her swollen wet pussy.

"They're coming home with us," she told me.

In the car, Chloe sat between Tom and Mike with her tits out. Mike was rolling her nipples between his fingers and Tom had four fingers up to the wrist in her cunt.

When we got back to the house Chloe told me I had to stand there and watch her get

fucked by these young studs. She lay Tom on his back on the bed and released his bulging cock from his pants. I was amazed to see how big it was – easily nine inches with a huge bulbous head. She hastily straddled him cowgirl style and guided his dick between her juicy swollen piss flaps.

Once inside, Tom started pounding my dirty slut of a wife while I wanked myself. Mike moved in between Tom's legs behind my wife and eased his prick into my slut's pussy alongside Tom's. Now both lads were stuffed up her cunt and she was moaning, but the lads told her to take it like the fucking slut she was.

After fucking her hard for fifteen minutes, they both started pumping their man fat deep into her as my wife bucked and screamed in ecstasy.

When they had finished, they said students were always short of money and looked forward to next month.

Mark, Lancs.

# ALEXXA

American themed diners are popping up all over the place these days, aren't they? No shopping centre is complete with some eatery nostalgic for the 1950s which serves up thick milkshakes and artery-busting burgers. Sadly, though, not many of them have super sexy Alexxa Vice on the menu – which is why an Escort version of the 50s diner is always going to be better than all the others! Not only can you tuck in to all the burgers, hot dogs and waffles you could ever wish for, you also get a slice of very naughty cooze thrown in as well!

What could be a more pleasing sight for the man of the house than to see his lady getting on with the ironing? Call me old fashioned, but as Theresa May herself recently acknowledged, there are boy jobs and girl jobs! Hang on though, Liz doesn't seem to have quite got the hang of this at all! Firstly she hasn't switched the iron on at the plug and... well, she's never going to get a short crease-free with that sort of technique! Mind you, with fantastically puffy nips like those and a freshly-shaven slit that's begging to be plugged, perhaps we'll let her off this once, eh?

# Wee Kay

Kay might only be half-pint sized at best, but she reckons she's more than a match for any guy...

"Too right I am! I'm always wearing fellas out before I've really done with them. I think because I'm so small they like to show off – lots of guys really like to fuck me by standing up and bouncing me up and down on their cock. Don't get me wrong, I love that as well, but it's harder than it looks and, well, they usually have to change position after a while."

## Dale Hard-On

**A** couple of years ago me and my sexy slut wife Chrissy got into making our own home movies. Pornos, obviously!

By the time we'd made 6 or 7 we decided it would be a lot easier with a cameraman, but where the fuck would we find one? As luck would have it, during a

the following Saturday night.

Saturday came and Chrissy and myself spent all day nervously excited at the thought of the coming evening's events. Just when we thought Dale

we'd already made, and towards the end of the second film Chrissy went upstairs to change into the outfit we'd bought specially for the occasion.

**"DALE PROCEEDED TO EAT HER PUSSY OUT WHILE CONTINUING TO FINGER HER SQUELCHING GASH."**

She called down when she was ready, and I filmed her coming down the stairs in a dress that was more of a strap than a dress, black stockings, a tiny G-string and high-heeled boots. When Dale caught sight of the sexy little slut he nearly came in his pants. Quite understandable, I might add.

film me fucking her cunt and arse with. We worked our way through all five, and then I asked Dale if he'd like to play with her lovely cunt. He was between her legs on his knees in a shot, with two fingers right up her juicy slit. I asked Chrissy if she'd like to feel his tongue in her slit as well. The answer was a resounding yes, and Dale

Having sorted out some drinks, we sat down to show Dale a couple of the film's

I handed him the camera and then stood behind Chrissy so I could pull the front of her dress down and expose her lovely tits and twist her nipples until they were standing proud, at which point I asked Dale if he'd like a feel. Well, he nearly fell over in his haste to get at them.

After a few minutes of this Chrissy sat on the sofa, opened her lovely legs wide and pulled her G-string

proceeded to eat her pussy out while continuing to finger her squelching gash.

After Chrissy had squirted streams of cunt juice over Dale's hand and face I handed him back the camera, got between her legs and fed my cock into her eager cunt. Then I laid her back on the sofa and while I alternated between fucking her cunt and her arse I suggested Dale feed his cock into the dirty little whore's mouth. Her cocksucking skills are second to none and it wasn't long before Dale was saying he couldn't hold onto his spunk any longer. Chrissy got on her knees on the floor and leant back against the sofa, while me and

Dale stood either side of her and aimed our cocks at her open mouth from about a foot away. It looked so fucking sexy as our cum landed in her mouth, hair and all over her face and tits, and we watched it slowly make its way down her body to her cunt.

We enjoyed ourselves so much and it was so fucking horny to see my wife sucking someone else's cock that we're now thinking of arranging a gangbang for the filthy little whore – all to be caught on film, of course! Any volunteers?!
